PROCTOR, Mrs Amanda(*) <i>Vice Chair of Gobs wef Sept 2018</i> Safeguarding / Child Protection link governor Development, Behaviour & Welfare link governor		Governor	20.09.2020	I joined the Garibaldi Governors in 2012, initially as a parent governor. I have one child at Garibaldi and two that attended Garibaldi, both later securing university places. The individual support they received helped them to achieve this goal. I have always been impressed with the teaching and support my children have received within Garibaldi, along with the opportunities to develop other interests within the school. I have a working background within Nottingham City Social Care and currently work within County Health. Supporting children and families to develop their relationships and achieve their individual potentials remains my passion. I feel the role of governors is crucial within school as it promotes and supports the views, feelings and experiences of young people and their families, currently accessing education with seemingly ever changing pressures.
