A number of parents have already signed up to undertake a free online course provided by the aim group. We have received positive feedback on the quality and content of these courses, for anyone still interested there is still time to sign up:

The AIM Group deliver **Free Online Level 2 Accredited Courses** to help better understand some key issues around young people's mental health and wellbeing, along with a range of other qualifications that may help with developing your own careers.

Here's some of the most popular subjects available:

Neuroscience in the Early Years - Children and Young Peoples Mental Health - Understanding Autism - Specific Learning Difficulties - Nutrition and Health - Adverse Childhood Experiences - Bullying in Children and Young People - Distressed Behaviour in Children - Mental Health Awareness - Counselling - Team Leading - Business Administration - Customer Service - Safeguarding and Prevent

These are just the popular qualifications, but they have over 30 available!

The qualifications are completed within a 6–16 week period in your own leisure. They are equivalent to a GCSE Grade C. You can do as many as you like, however you can only do one at a time.

The only criteria you must meet to be eligible, is:

Aged 19 or over on or before 31st August 2023
Have lived in the UK/EU for 3+ years
Not already on a Government funded course

If you are interested in undertaking one of these free online courses or would like further information, then please complete the following link **ASAP**. This will then allow The AIM Group to contact you to discuss and get you started on your chosen course:

If you have any questions prior to expressing interest, call **Shane Cooke on 0203 923 4013** or drop him an email at shane.cooke@theaimgroup.co.uk

Finally, thank you to parents who have taken the time to fill in our snapshot surveys at parents' evenings. These are really useful mechanisms for developing and improving the school. To assist with developing our strategic direction for next year and beyond, it is that time of year where we invite parents to undertake a national parental survey managed by an organisation called Edurio.

The response window will be open until Friday 21st June 2024. The school will receive the results of the survey in September. To access the survey, please use the following link: <https://edurio.com/teacher/poll/RfwUjN>

Thank you in advance and I look forward to analysing your responses.

Yours faithfully

Mr J Aldred
Head Teacher
