10<sup>th</sup> June 2022

Dear Parents/Carers

I am really pleased that next week we will be hosting our first "Meet the Leadership Team Evening" in person, enabling us to have personalised discussions in this format, for the first time in a number of years. I look forward to seeing those who have booked an appointment next week as we start work on stakeholder engagement.

For the next stage of our ongoing commitment to parental engagement, I would like to invite parents and carers to participate in a survey managed by an organisation called Edurio. Your responses will enable us to evaluate our current position and support our school improvement planning into the next academic year.

The response window will be open from 13<sup>th</sup> June to the 15<sup>th</sup> July 2022. I will receive the results of the survey in September.

Following receipt of these results, I would like to establish a parent forum to analyse the responses in more depth and to work with the Leadership Team to formulate our plans for the next academic year. Further details of the forum will be provided in due course.

To access the survey, please use the following link: <https://edurio.com/poll/5En2MV>

Thank you in advance and I look forward to analysing your responses.

Yours faithfully

Mr J Aldred  
Head Teacher
