

3rd April 2020

Dear Parent/Carer

Can I thank you for your ongoing support over the past two weeks whilst we have been setting up and launching a range of learning platforms to ensure students have some meaningful work to do from home.

I am continuing to review this provision and am working with the teachers on developing these platforms further in the event that we do not return to school in the near future.

There are many aspects of school life coming up which we may need to cancel or postpone and there are some uncertainties with the format of the rest of this academic year, given the unprecedented circumstances. Whilst I am keen not to bombard you with information, I will provide regular updates after Easter when further details become available to me.

May I wish you a Happy Easter Holidays and hope you all stay safe and well.

Yours faithfully

Mr J Aldred
Head of School
