Dear Parent/Carer

2022/23 Enrichment Timetable – Half Term 1

As a school we are offering an enrichment programme for all students. These activities will allow our students the opportunity to experience new skills within a variety of subjects, which will be an extension to their learning within the school day. The enrichment sessions will be held Tuesday, Wednesday and Thursday 3pm to 3.50pm, with your child having opted in to a club for the half term. These activities may change every half term allowing more opportunity for your child to experience a variety of clubs or run for the entire year, showing their commitment and dedication to an activity.

As a school we are aiming to develop the character of our students and give them every opportunity for them to develop and excel in the classroom but also out of the classroom. We would like your support in encouraging your child to attend an enrichment club as they will provide invaluable learning, further understanding of the subject area and develop lifelong skills, as well as having fun developing their subject knowledge in a unique way.

Thank you in advance for your continuing support,

Yours faithfully

Miss F Gibbs
