

25th August 2020

Dear Parents/Carers

Cashless Catering

Further to the Head of School's recent letter dated 24th August please note that there will not be a facility for students to credit their cashless catering account via the revaluation machines. The machines are no longer operational and unfortunately the catering provider does not handle cash.

Payments for snacks/meals will need to be made via the students' online cashless catering account only; please ensure your child's account has been credited if you already have a login. Students will need their PIN code as the biometric service (fingerprint recognition) will not be in operation until further notice due to the current situation. Students' mentors will have a copy of each individual students' PIN code if required. Please reinforce to your child the need not to divulge their PIN to other students.

All new Year 7 students, who have provided the school with an email address, will automatically receive an emailed link in order to set up an online account. If the account is required it will need to be set up and accounts credited for the Year 7 Induction Day on Friday 28th August.

Alternatively, if a student does not have an online account they will need to bring a packed lunch.

Parent/carers of students who do not currently have an online cashless catering account and would like an account setting up will be required to contact Mrs S Ireson sireson@garibaldischool.co.uk with an email address in order for a link code to be emailed.

If you have any further queries, please contact the school 01623 464220 or email office@garibaldischool.co.uk

Yours faithfully

Mr P Hunt
Assistant Head of School
