

5th September 2019

Dear Parent / Guardian

I hope you have had a restful summer break and that students are refreshed for the year ahead.

This year we have a number of students with different food allergies, including a student with a severe peanut allergy. To safeguard the safety and wellbeing of these students, I would like to respectfully ask, that as far as possible, consideration be given to any snacks or food that is brought in to school by students for breaks or lunches.

I recognise that this can be difficult at times but as a school community, we need to minimise the risk posed to these students as far as practicably possible.

Many thanks for your anticipated support and I look forward to working with you over the year ahead.

Yours faithfully

Mr J Aldred
