Dear Parent/Carers

SCHOOL CATERING SERVICE UPDATE

Aspens is the company chosen by the school to provide the meal service to our students and they specialise in providing catering to schools and colleges across the country.

As we approach the end of our first half term we would like to take the opportunity to update and remind parents/carers about payment for our catering facility here at the Garibaldi School.

Please would you ensure that you regularly top up your child's Scopay account to ensure there is always credit available if they wish to buy food or drinks during their breaks and lunches. Unfortunately as our catering facility is provided by an external company, we are unable to allow students to continue to purchase food or drinks if there are inadequate funds on their account.

Your child might be entitled to free school meals. For more information and details on how to claim, visit www.gov.uk/apply-free-school-meals

Visit the school website: [Free School Meals](#)

If you are experiencing problems with your cashless catering account, please email exams@garibaldischool.co.uk or call 01623 464220.

Thank you for your continued support.

Yours faithfully

The Finance Team
