

21st March 2022

Dear Parents/Carers

At The Garibaldi School we are all really excited to be taking part in a week of fundraising activities supporting Sport Relief 2022 and a local charity!

As part of their course, the school's Cambridge Technical sport students need to plan and deliver an event which in previous years has been Sport Relief as this links nicely to their course. Due to Sport Relief taking place in the summer, as it is an official partner of the Commonwealth games, it has been decided that the school replace activities for Comic Relief with Sport Relief.

This year, Sport Relief at The Garibaldi School will be taking place between Monday 28th March and Friday 1st April.

Sixth Form students have organised the following events to raise money for Sport Relief and a local charity and prices will start from 20p:

- Crossbar challenge
- Target shot challenge
- Guess the teddy bear name
- Staff stocks
- Staff football match
- Guess how many sweets are in the jar ... and many more.

Friday 1st April will be a non-uniform day with a £1 contribution to take part. We are using this year's Sport Relief as a teaching opportunity; raising awareness of issues in other countries, supporting a local charity and the positive effect the money raised can have on others.

On Friday 1st April we will also be having a Staff v Staff football match with kick off commencing at 2pm and a 20p donation for spectators. We appreciate this is afterschool and therefore this will only involve two 15-minute halves; students should be off school site at 3pm. This is not compulsory for students to stay; it is at the discretion of the parents/students.

We really appreciate your support and hope you will have fun helping our school raise lots of money for Sports Relief and a local charity.

Yours faithfully
Miss Gibbs
