

25<sup>th</sup> February 2020

Dear Parent/Carer

We are pleased to announce that all of our students at The Garibaldi School have been signed up and introduced to Unifrog. This is an online system that allows students, teachers, parents and carers to navigate career opportunities for life after school. It can also be used to help students to understand early on the options they may want to take in order to aspire to the university, apprenticeship or career path that they wish to take.

Unifrog is a fantastic tool and we want to encourage students to use it whenever possible. Therefore, we have integrated its use through some drop-down days over the year, as well as embedding tasks into day-to-day lessons.

- There is no cost to parents, carers or students for the use of Unifrog.
- It is encouraged that students use this tool in order to help decisions with options
- Students can access Unifrog at any time
- Students are welcome to use the LRC facilities to use Unifrog
- Students can also access Unifrog via an app on their phones

As a parent or carer, there is nothing you need to do for students with regards to using Unifrog, however, we would really appreciate it if you could encourage your child to engage with Unifrog both in and outside of school.

We are really excited about the opportunities that Unifrog could have on our students. However, should you have any questions or issues with regards to the Unifrog sign-up, please do not hesitate to contact me.

Yours faithfully

*A Bleasdale*
