Dear Parent/Carer

### **Upcoming webinar for parents – *How to Help Build Your Child's Resilience***

As part of our ongoing support for Year 11 and 13 students as they prepare for the summer 2023 exam series we have partnered with Elevate Education to provide study skills, motivation, wellbeing, and exam preparation support. Coaching teams will be delivering high impact workshops to Year 11 and 13 students in half term 3 and 4 as we build towards final exams.

As part of the support from Elevate, parents and carers also get access to free webinars throughout the year. By tuning into their webinar series, you will learn how you can help to better support your children at home through reinforcing the skills they learn at school.

We are pleased to announce that Elevates next free webinar will be taking place on Tuesday 29th November.

**Tuesday 29th November @ 6:00pm**

#### ***How to Help Build Your Child's Resilience***

In this webinar Elevate will be showing parents:

- What resilience means, what it *doesn't* mean, and why it's important
- How to help build your child's resilience levels, both in and out of school
- How to help your child break their 'fear of failure'
