

3rd December 2019

Dear Parent /Carer

Students in Year 7 are fortunate to have a Road Safety visit during their PSCHE lessons over the next coming weeks. The visit is to help students understand how to ride safely around the community, particularly with the bad weather we have recently been having.

The visits will begin on Tuesday 12th December 2019 and will end on Wednesday 18th December 2019. The students do not have to do anything different as these Road Safety visits will occur as part of their PSCHE curriculum.

This is a fantastic opportunity for our students to begin to understand the importance of using the roads safely and make our community safer for all.

Yours faithfully

A Bleasdale
