

# Renaissance Home Connect™

The Renaissance Place Home Connect system, which can be accessed from any web-enabled computer, will allow parents to keep track of their child's progress. Parent/carers can access Home Connect through the link on the school website. You will need your child's AR username and password to do so (we can provide you with this upon request, or you can obtain it from your child). Once in the program, you can view your child's progress towards targets, points and books read. You can also access AR BookFinder to search for titles of interest. You can only access information about your own child.
