

School Equipment Information

Organising books and equipment

Students will need a bag to carry their books and equipment. It should be large enough to take A4 files. We recommend it should be waterproof.

Make sure students have a set of equipment. This should consist of:

- pencils
- pens
- rubber
- sharpener
- crayons
- felt pens
- ruler
- glue stick
- calculator

Encourage students to leave all valuables at home.

From 1st September 2020 students should not have their phones out whilst on the school site. Before a student comes through the school gate their mobile phone should be switched onto silent and put away either in a pocket or bag. If a mobile phone is seen then sanctions will be applied as stopping the use of mobile phones on site will become one of the schools non-negotiables. Any student in breach of this non-negotiable will be asked to hand their phone to a member of staff and they can collect it at the end of the school day. Students are responsible for their safe keeping.
