Subject

Spanish

Version and Date

V1; 01/09/2020

The tasks below have been set out by your subject teachers. They're best placed to set these activities but are giving you the freedom to select which of these to focus the study period lesson time on. You could also use this list to give some direction to your own revision/preparation at home.

This list will be updated through the year so make sure you're working of the most up to date version. The PE staff who supervise your Study Period lesson may well ask you to confirm you have completed some of these tasks/activities – if they do please be prepared to show them the completed work in whatever format it was completed – written work, electronic document, online task etc.
