Home Learning Reflection Journal 5: ATL

This booklet is for you to use and reflect on your ATL whilst you are remote learning (using Microsoft Teams, working at home etc.) This is similar to the discussions and tasks you might normally do during Study Period each week when at school.

After you complete each set of tasks, you will have to reflect on your ATL for remote learning and set targets for tasks that you complete after. **You will be given additional tasks at the start of each week.**

If you have any questions, please e-mail your Mentor or your Achievement Lead Miss Etches.

Task 1: When remote learning and working from home, a schedule/rota/plan of each day is a really important part of organising your time. Use the template below to **plan out** your weekly schedule. Remember that each week you have two projects and you should be timetabling 5-8hrs of work for each subject per week.

Success criteria for your schedule:

- Gives me enough time to cover all of the work that I need to for school
- Includes times for breaks
- Includes times for lunch and dinner
- Does not begin too early or end too late
- Has been checked with my parent/carer
- Completes the time plan for each week of study this could be colour coded or typed in.

Week 1 time plan	09.00-10.00	10.00-11.00	11.00-12.00	12.00-13.00	13.00-14.00	14.00-15.00

Task 2: Think about the work that you have completed the last two weeks. You should have completed work on Teams in accordance with the projects that have been sent out. Summarise the work you did, this can be bullet pointed. You may need to look back at the work you submitted.

Work completed
